Madison County High School
Gurley, Alabama

Join us as the 117-year-old Spring City Cycling Club celebrates the 26th running of the All You Can Eat Century with new and exciting routes.

Our premier event features courses of 35, 50, 62, 76 and 108 miles. The course meanders through the rural Appalachian Foothills region of Madison and Jackson Counties in Alabama and the counties of Lincoln and Franklin in Tennessee. The 108-mile route includes a challenging climb up to spectacular Skyline Mountain. The 76 and 108 mile routes takes in the Curly Putman Scenic Byway through the Paint Rock Valley. There's not a dull pedal stroke the entire ride.

After the ride, replenish your body with a delicious meal. Post-ride massage service is available; please see our web site for details.

Local law enforcement, EMA personnel, SAG wagons, and other volunteers will assist riders along the course. They are fully equipped with communication devices to aid those in need.
